Dear Mr Cwikla,

I am responding to your request on information on sumps operated by Mirada Petroleum Inc.

Mirada Petroleum does not currently and has not ever operated sumps for the discharge of any type of fluids. Any drilling waste fluids including drilling mud has been disposed of at our local facility Anterra.

We have only drilled five wells and do not plan to do any more drilling in the future.

If you need further information or clarity please do not hesitate to contact me at anytime.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Price".

Scott Price
